

The most wanted from LEGO® Star Wars™

By car_mp from the opinions gathered from the HispaLUG forum

During these past 10 years, we've seen a big amount of sets and minifigs from this line... but which are your favourite ones? These are the favourites of the Spanish community.

Best set:

The most voted was the 10179 Millennium Falcon™, 6212 X-Wing Fighter® being a close second. Of the prequel trilogy, 7676 Republic Attack Cruiser™ received the most votes.

Best minifig:

The most voted minifig was Darth Vader™, followed closely by the Stormtrooper™.
