

*Dear HispaBrick Magazine® Crew,*

*Ten years - this is a very long time, and I can clearly remember the first issue of the magazine with the arvo Brothers Alien MOC on the cover and it seems not at all that long ago. Back then nobody was expecting this big success, but you have proved that you can pull this off!*

*I have enjoyed reading every issue since then and it has always been a true pleasure, and very entertaining and educational for me - very well written and researched articles, a lot of great insights into the AFOL community, and I could learn something new about the AFOL community in every issue.*

*So I would like to congratulate you on this 10 year anniversary. Thank you for all the effort and time you spend on the HispaBrick Magazine® and I hope it will continue for many more years in the future. Keep up the great work and enjoy creating this fantastic and outstanding piece of AFOL literature - I will continue enjoying it for sure.*
