

*Congratulations to the HispaBrick Magazine®  
team on your 10th anniversary!*

*I am always amazed by the quality of the articles  
and the depth and breadth of the subjects covered,  
and it's been essential reading for me since the first  
issue. I am honoured to have helped spread the word  
to ensure every issue gets the readership it deserves.*

*Your incredible team of volunteers do such a  
fantastic job and I truly hope you continue to do so  
for the next 10 years.*
